RE: Surface Transportation Program (STP) Payout Program

Greetings:

Within the next week you will receive a check issued under the STP Payout Program for the annual STP funding exchange as previously defined by the process established in 2015. The amount of the payment will be equal to your 2016 STP allocation plus 50% of the previously provided state matching funds. These funds are to be used for road and bridge maintenance, repair, and reconstruction.

For entities that still have projects scheduled through the Federal program or have a State Infrastructure Bank Loan, please disregard this notice as your allocation will be retained for repayment. If you have questions please feel free to contact Doug Kinniburgh at 605-773-4284 or any of his staff.

Sincerely,

Laurie Schultz
Administration Program Manager
